SUMMER CAMP DESCRIPTIONS

MS: Middle School camp
HS: High School camp

Future Teachers for the Arctic Camp -

MS: 5/24 - 5/30 | HS: 5/31 - 6/6

Explore the educational field and build a foundation in Iñupiaq Studies, while learning first-hand how it is to be a teacher on the North Slope!

Allied Health Camp -

MS: 5/31 - 6/6 | HS: 6/7 - 6/22

For youth interested in health-related careers including Behavioral Health, Public Health, and Nursing; get hands-on training to earn First Responder, First-Aid, and CPR certificates. Also, become a Junior Public Health Educator and share health-related issues with your peers!

Photojournalism & Documentary Camp -

HS: 6/7 - 6/13

Join the world of Digital Photography and use Digital Single-Lens Reflex (DSLR) cameras to explore your potential in photojournalism, document-photography, wildlife and nature photography, and environmental conservation!

Iñupiaq Culture & Traditions Camp -

HS: 6/21 - 6/27

Experience and learn about the unique arts, distinct language, and long-lasting traditions of the Iñupiaq culture. There's no greater timing than this, as you will be participating in the annual celebration of *Nalukataq* (which means *Successful Whale Hunt Feast/Blanket Toss*)!

Behavioral Health Camp -

HS: 7/5 - 7/11

Study key topics such as abuse, neglect, addiction, grief, stress and mental health. Job exploration includes social work, counseling, psychology, behavioral health aide, and others.

Arctic Science Research Camp -

HS: 7/12 - 7/18

Have fun outdoors while touring, researching and studying the land, wildlife, and history of the Arctic; then present your results to your peers!

S.T.E.M. Camp -

(Science, Technology, Engineering and Mathematics)

MS: 7/12 - 7/25

Complete hands-on fun for future scientists, tech gurus, engineers, and mathematicians. Be a part of demonstrations and projects that will be held in many facilities including the *National Oceanic & Atmospheric Administration (NOAA)*.

Alaska Youth Academy

HS: 7/19 - 7/25

Provide students with an overall view of career opportunities in public safety. They will meet with local police, Alaska State Troopers, U.S. Marshals, FBI Agents, Fire Service, and State Crime Lab personnel.

Iñupiaq Land Values & Resources Camp -

open to Iñupiaq Students & NSBSD Teachers:

7/26 - 8/4

Examine the complex relationships there are between humans and the environment we live in, specifically the land, ocean, and natural resources of the Arctic. Also, gain insight on subsistence hunting, wildlife patterns, historical features and more!

Eider Journey Program -

HS: Summer Duration

Contact Uinniq Ahgeak, *Barrow Field Office*
Ph: (907) 852-2059
Email: ernestine_ahgeak@fws.gov

Methods in Molecular Biology (MIMB) Camp -

HS: 7/26 - 8/8

Dive into standard techniques and principals of MIMB, such as isolation and purification of nucleic-acids, while learning about the amplification and sequencing of DNA.

Circus Camps (DAY CAMP) -

Iñupiaq College Cooperative Extension will bring the clowns, the face-painting, the trapeze, the laughs, and more to a village near you!

> Barrow: 5/25 - 6/6

> Atqasuk, Nuiqsut, Kaktovik: 7/13 - 7/31

icamp (DAY CAMP) -

MS: 6/8 - 6/12 (9am - 5pm)

Create your own movies from scratch by learning to use movie-making equipment! This is your chance to direct your own films with the help of peers and professionals!

Young Engineers Camp (DAY CAMP)

MS: 6/15 - 6/19 (1pm - 5pm)

Students will be engineering and building miniature models of fully functioning machines such as cranes, tow trucks, elevators, and simulated emergency scenarios.

Theatre/Drama Camp (DAY CAMP)

Wainwright HS: 6/15 - 6/19 (9am - 5pm)

Create an ensemble based on a Native myth or story using a series of writing and acting exercises. Learn how to write and act out your own piece, or perform as a group, and express the importance of theatre in your culture and your community!
