

2019 SUMMER CAMPS

APPLICATION DEADLINE: MAY 10TH!

■: MIDDLE SCHOOL OR YOUNGER ■: HIGH SCHOOL ■: ADULT

DRIVERS ED INTENSIVE

One week rotations for village students to complete their unrestricted drivers license. AGES 16+

6/2 - 6/22 ■ ■

BEHAVIORAL HEALTH

Learn about key topics in behavioral health including abuse, neglect, addiction, grief, stress and mental health while discovering career paths within the field. Students will explore careers including social workers, counselors, psychologists, psychiatrists, behavioral health aides, and other positions within the field of behavioral health and human services

6/9 - 6/15 ■

YOUNG ENGINEERS DAY CAMP

Create working models of everyday machines and use these models to complete challenges. Engage in daily hands-on engineering challenges and bridge building.

6/16 - 6/22 ■

ICAMP DAY CAMP

Students will create one or two short films as they practice filming, editing, and acting. They will show off their films to the community on the evening of the last day.

6/16 - 6/22 ■

ALLIED HEALTH

Interested in health-related careers including Behavioral Health, Public Health, and Nursing? Get hands-on training to earn First Responder, First-Aid, and CPR certificates. Students will also take part in strength challenges to promote a healthy lifestyle!

7/14 - 7/20 ■

7/21 - 8/3 ■

ĨŃUPIAQ LAND USE, VALUES, AND RESOURCES

Students will go camping in tents in one of the North Slope villages and will gain insights on subsistence hunting, wildlife patterns, historical features and more! **11th & 12th grade + Adults**

7/10 - 7/20 ■ ■

ARCTIC PERSPECTIVES ON CLIMATE CHANGE & SUSTAINABILITY

This camp is designed to employ scientific approaches to studying environmental and cultural issues related to climate change and sustainability in the Arctic. In a combination of lecture, field trips, and hands-on laboratory and experiential activities, students will be provided an introduction to sustainability and environmental sciences. Activities will be led by scientists, researchers and Elders.

7/14 - 7/27 ■

INTRO TO TRADITIONAL PLANTS

Students will learn about the traditional edible and medicinal plants in the North Slope of Alaska. Students will also travel to one of the North Slope villages to see the difference in variety of plants from Utqiagvik! **11th & 12th grade + Adults**

7/23-7/29 ■ ■

PLAY, FLOW, GROW - A MINDFUL MOVEMENT

Acting/Yoga/Mindfulness camp for those interested in exploring the balance between fun and functionality, play and practical application, art and zen! By combining Acting exercises, Yoga techniques, and Mindfulness tricks that encourage teamwork, attention building skills, creativity, insight, physical stamina, and mental wellbeing, students will expand their knowledge of self and health, and build the confidence to "show up" to their lives fully, joyfully, and with purpose.

LOCATED IN VILLAGES AGES 8 - 12
