

## MEMORANDUM

**TO:** Ilisaġvik College Students

**FROM:** Amanda Sialofi, Dean of Students

**DATE:** September 15, 2020

**SUBJECT:** Extended Campus Closure and Student Resources through 9/21/2020

---

Uvlulluataq Ilisaġvik Students:

Earlier today we received a second proclamation from the North Slope Borough Mayor, Harry Brower, extending the Hunker Down Order until September 21, 2020. Therefore, the main campus will remain close and staff will continue on telework status. In addition, we have decided to keep the cafeteria closed for the rest of the semester.

### **Fall courses**

All courses will continue to be delivered remotely via online or on a different virtual platform. To help our students who might **NOT** have access to a computer, Ilisaġvik is loaning out laptops to currently enrolled students to assist with their distance education needs. Please click this link to request a laptop: [Student Technology Assistance](#).

### **Residential (Dorm) Students**

The residential center will remain on lockdown status which include continued suspension of dorm visitation, gym, and transportation. Meals will continue as is through the Student Success Center (SSC).

### **Support and Resources**

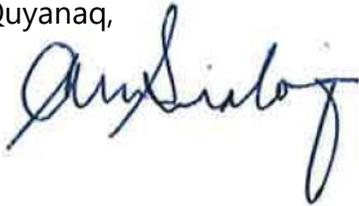

This week's tutoring schedule is attached for your reference. SSC will be hosting its second workshop this Saturday (flyer attached) so please join us to learn more about college hacks to include study habits and skills that will help you be successful throughout your educational journey.

For additional support/resources from SSC please contact the following:
