Please find the methods below with a narrative summary of the methodology and actions taken for each semester of emergency financial aid disbursement. The methods are listed in ascending chronological order starting with the initial Emergency Financial Aid Grants disbursed in Spring 2020 and moving forward in time from there.

I. Spring 2020 – CARES Act I

Iñisaġvik College determined that the HEERF Emergency Financial Aid Grant funds would be distributed to Title IV eligible, undergraduate, program-active and/or degree-seeking students based on current enrollment as of March 13, 2020, when Iñisaġvik College’s normal operations were interrupted by COVID-19. Iñisaġvik College weighted nine categories of students depending on the defined categorical status (i.e. if students are Pell eligible or dormitory students, and thus have demonstrated financial need and/or demonstrated housing interruptions) and number of enrolled credits in Spring 2020, with four subsections of credit types. Only students eligible to receive Title IV aid are included in groups below. The following groups were delineated:

- Full-Time (12-18 credits) Pell Students : \$550.71
- Full-Time (12-18 credits) Dormitory Students: \$550.71
- Full-Time (12-18 credits) Non-Pell Students: \$458.93
- Part-Time (9-11 credits) Pell Students: \$413.03
- Part-Time (9-11 credits) Non-Pell Students: \$367.14
- Part-Time (6-8 credits) Pell Student: \$321.25
- Part-Time (6-8 credits) Non-Pell Students: \$275.36
- Part-Time (1-5 credits) Pell Student: \$229.46
- Part-Time (1-5 credits) Non-Pell Students: \$183.57

II. Fall 2020 – CARES Act I

An alternate source of funding was used since all the CARES Act I Student Aid had been disbursed in Spring 2020. Iñisaġvik College still disbursed aid to students, but it did not use CARES Act Student Aid funds during this period.

III. Spring 2021 – CARES Act II

Iñisaġvik College changed the initial determination and eligibility process to make student aid disbursement easier in Fall and Spring 2021. Iñisaġvik determined that the HEERF Emergency Financial Aid Grant funds would be distributed to undergraduate, program-active and/or degree-seeking students based on current enrollment as of the spring semester 2021, as Iñisaġvik College’s normal operations were still being interrupted by COVID-19.

Iñisaġvik College had eight categories of students depending on the defined categorical status (i.e. if students are Pell eligible, and thus have demonstrated financial need) and number of enrolled credits in Spring 2021, with four subsections of credit types. The following groups were delineated:

Student Type	Number of Students: Spring 2021	Base Funding (Per Student)
Pell Full-Time	5	\$ 1,100.00
Full-Time Other	19	\$ 900.00
Pell 3/4 Time (.75 - 9-11 credits)	5	\$ 800.00
3/4 Time Other (.75 - 9-11 Credits)	17	\$ 700.00
Pell Part-Time (.5 - 6-8 credits)	7	\$ 600.00
Part-Time Other (.5 - 6-8 credits)	39	\$ 500.00
Pell Less Than Part-Time (Under .5 - 1-5 credits)	7	\$ 400.00
Less Than Part-Time Other (Under .5 - 1-5 credits)	52	\$ 300.00
TOTALS	151	

While the total number of students eligible to receive aid was 151, Iñisaġvik College made payments to 25 students using CARES Act II Student Aid Funds (totaling \$18,403) and used alternate sources of funding for the remaining students (who received the same amount of aid/same type of methodology applied).

Thus, twenty-five students received the following:

- | | | |
|---|----------------|----------|
| 1 | Pell Full-Time | 1,100.00 |
| 2 | Pell Full-Time | 1,100.00 |
| 3 | Pell Full-Time | 1,100.00 |
| 4 | Pell Full-Time | 1,100.00 |

5	Pell Full-Time	1,100.00
6	Pell Full-Time	1,100.00
7	Full-Time Non-Pell	603.00
8	Pell 3/4 Time	800.00
9	Pell 3/4 Time	800.00
10	Pell 3/4 Time	800.00
11	Pell 3/4 Time	800.00
12	Pell 3/4 Time	800.00
13	Pell 3/4 Time	800.00
14	Pell 3/4 Time	800.00
15	Pell Part-Time	600.00
16	Pell Part-Time	600.00
17	Pell Part-Time	600.00
18	Pell Part-Time	600.00
19	Pell Part-Time	600.00
20	Pell Part-Time	600.00
21	Pell Less Than Part-Time	400.00
22	Pell Less Than Part-Time	400.00
23	Pell Less Than Part-Time	400.00
24	Pell Less Than Part-Time	400.00
25	Pell Less Than Part-Time	400.00
		18,403.00

Please note that student #7 in the chart on the previous page received \$900 in total, the full amount for a full-time, non-Pell student, but the remaining \$297.00 was from a different funding source and not the CARES Act II Student Aid funds. These payments resulted in a total disbursement of \$18,403 to students.

IV. Summer 2021 – ARPA Funds

Iñisaġvik College used a similar determination and eligibility process discussed in the preceding section (Spring 2021) to disburse student aid. Iñisaġvik College removed one qualification with the changes made during the American Rescue Plan Act: students no longer had to be program-active, simply enrolled in a for-credit class and/or the equivalent of 1 credit hour. Thus, Iñisaġvik determined that the HEERF Emergency Financial Aid Grant funds would be distributed to students based on current enrollment as of the summer semester 2021, as Iñisaġvik College’s normal operations were still being interrupted by COVID-19.

Iñisaġvik College had three categories of students depending on the number of enrolled credits in summer 2021. The following groups were delineated:

Students: No. of Credits	Emergency COVID-19 Financial Relief
12+ Credits (Full-time)	\$1,000
6-11 Credits	\$500
1-5 Credits	\$250

While the total number of students eligible to receive aid was eighteen (18) in summer 2021, Iñisaġvik College made payments to sixteen (16) students using CARES Act II Student Aid Funds (totaling \$10,150) and used alternate sources of funding for the remaining two students (who received the same amount of aid/same type of methodology applied).

Thus, sixteen (16) students received the following:

	Credit Load – Summer 2021	HEERF/CRRSAA Student Aid
Student 1	2	\$ 250.00
Student 2	2	\$ 250.00
Student 3	3	\$ 250.00
Student 4	3	\$ 250.00
Student 5	3	\$ 250.00
Student 6	3	\$ 250.00
Student 7	5	\$ 250.00
Student 8	6	\$ 1,180.00
Student 9	6	\$ 500.00
Student 10	6	\$ 1,180.00
Student 11	6	\$ 1,180.00
Student 12	6	\$ 500.00
Student 13	6	\$ 1,180.00
Student 14	6	\$ 1,180.00
Student 15	8	\$ 500.00
Student 16	15	\$ 1,000.00
		\$ 10,150.00

V. Fall 2021 – ARPA Funds

Iñisaġvik College used the same determination and eligibility process discussed in the preceding section (Fall 2021) to disburse student aid. Eligible students simply had to be enrolled in a for-credit class and/or the equivalent of 1 credit hour to receive aid. Students could request COVID-19 financial relief and/or a special internet stipend to address the high-cost of internet in the North Slope region of Alaska. Iñisaġvik had multiple grant funds to meet these needs.

Thus, Iḷisaġvik determined that the HEERF Emergency Financial Aid Grant funds would be distributed to students based on current enrollment as of the fall semester 2021, as Iḷisaġvik College’s normal operations were still being interrupted by COVID-19.

Iḷisaġvik College had three categories of students depending on the number of enrolled credits in fall 2021. The following groups were delineated:

Students: No. of Credits	Internet Stipend	Emergency COVID-19 Financial Relief
12+ Credits (Full-time)	\$680	\$1,000
6-11 Credits	\$680	\$500
1-5 Credits	\$250	\$250

While the total number of students eligible to receive aid was one-hundred and twenty-two (124) during the entirety of Fall 2021, Iḷisaġvik College made payments to one-hundred and twenty-two (122) students using CARES Act II Student Aid Funds (totaling \$114,478) and used alternate sources of funding for the remaining two (2) students (who received the same amount of aid/same type of methodology applied).

The students who received HEERF Student Aid funds received a combination of internet stipends and emergency COVID-19 Financial Relief. General COVID-19 emergency financial relief payments were made using Department of Education HEERF MSI/TCCU funds, as well as two non-federal sources. Iḷisaġvik College did prioritize disbursing aid to Pell grantees. In fall 2021, Iḷisaġvik had twenty-six (26) Pell grantees, and all received both the internet stipend and the top amount for emergency COVID-19 financial relief (up to \$1,680 total).

VI. Spring 2022 – ARPA Funds

Iḷisaġvik College used the same determination and eligibility process discussed in the preceding section to disburse student aid. Eligible students simply had to be enrolled in a for-credit class and/or the equivalent of 1 credit hour to receive aid. Students could request COVID-19 financial relief and/or a special internet stipend to address the high-cost of internet in the North Slope region of Alaska. Iḷisaġvik had multiple grant funds to meet these needs.

Thus, Iḷisaġvik determined that the HEERF Emergency Financial Aid Grant funds would be distributed to students based on current enrollment as of the fall semester 2021, as Iḷisaġvik College’s normal operations were still being interrupted by COVID-19.

Iḷisaġvik College had three categories of students depending on the number of enrolled credits in fall 2021. The following groups were delineated:

Students: No. of Credits	Internet Stipend	Emergency COVID-19 Financial Relief
12+ Credits (Full-time)	\$680	\$1,000
6-11 Credits	\$680	\$500
1-5 Credits	\$250	\$250

While the total number of students eligible to receive aid was eighty-five (85) during Q1 2022 (January 1, 2022 to March 31, 2022), Iñisaġvik College made payments to sixteen (16) students using CARES Act II Student Aid Funds (totaling \$15,370) and used ARPA TCCU/MSI funds (reported on the Quarterly Budget and Expenditure Report) for the remaining amount that was distributed during the quarter (a remaining \$87,119.74).

The students who received HEERF Student Aid funds received a combination of internet stipends and emergency COVID-19 Financial Relief. Iñisaġvik College did prioritize disbursing aid to Pell grantees.

7. Any instructions, directions, or guidance provided by the institution to students concerning the Emergency Financial Aid Grants.
