TUITION ~ ~ FAQ ~ ~ WAIVER

Question: Does this waiver apply to **CEU classes**?

Answer: No, it does not apply to CEU classes, because CEU classes do not have tuition, only fees.

Question: Do the student have to be **admitted to a program**, or can he/she apply for a waiver, if he/she just wants to take an individual class?

Answer: The form includes six (6) scenarios, under which someone may receive a tuition waiver. When applying for a tuition waiver for the *first time*, admission to a program is not a requirement. However, for some of the waivers, admission to a program is required, if the student wants to continue to receive the waiver.

Question: When is the **due date** for the completed form to be turned in?

Answer: The due date varies according to semester; however, short-term classes that start after the due dates below, will receive an extension:

Answer: No. However, when taking classes under the waiver, the student must make satisfactory academic progress, which means (1) pass 2/3 of his/her classes and (2) have an overall grade point average of 2.0 (Grade "C") in order to be eligible for the waiver the next semester.

Question: What if a **student owes money** to the College, is he/she still eligible for a tuition waiver?

Answer: As long as the balance is \$500 or less, yes, the student is eligible for the tuition waiver. If the student owes a higher balance, he/she must work out a payment plan with the Business Office and reduce the balance to \$500 or less.

Question: Do students have to **apply for a scholarship**?

Answer: Yes, students have to apply for a scholarship, to be eligible for some waivers; however, they do **not** have to be awarded a scholarship. For guidance on where to find scholarships, contact fin.aid@ilisagvik.edu or call 852/1708.

Question: Does this waiver apply to **dual credit courses**?

Answer: No, it does not.
