

## **ILISAĠVIK COLLEGE BECOMES AN APPROVED DRIVING SCHOOL, ROAD TESTING FACILITY, AND DRIVER'S LICENSE ISSUER**

Iłisaġvik College is pleased to announce that we are now an approved driving school for the state of Alaska, offering written and road tests to the general public on our campus in Utqiaġvik.

Iłisaġvik has long provided drivers education and test preparation and now can offer both the written and the road tests for Class D licenses (typical, non-commercial licenses), and the written test for CDL Class B and C licenses. CDL road tests are arranged as part of the CDL course. The college will be providing the same services in North Slope villages on a schedule that is to be determined.

The college has equipment on order that will allow them to produce the physical licenses but it will likely take 4-6 months to arrive. Until then, anyone can still come to take their written and road tests, and then go to the DMV in town to get their photo taken and receive their temporary license.

All road tests will be taken in college-owned vehicles. The fee for the Class D road test is \$40. All tests are by appointment only. To schedule a driver's license test, please contact Ashley Knapp at [ashley.knapp@ilisagvik.edu](mailto:ashley.knapp@ilisagvik.edu) or 970-852-1837.
