RELEASE INFORMATION: The Family Educational Rights and Privacy Act (FERPA) protects a student's right to privacy by limiting information that can be released to the public to what is referred to as Directory Information. Directory Information is that part of an education record of a student that would not generally be considered harmful or an invasion of privacy if disclosed. Directory Information can NEVER include: student identification number, race, social security number, ethnicity, nationality, gender. Directory Information can be released to the public without permission from the student. Directory Information at Ilisagyik College includes: student name, local address, permanent address, email address, photos, telephone numbers, names and dates of previous high schools and colleges attended, classification (freshman, sophomore, etc.), enrollment status, major field of study, dates of attendance and anticipated date of graduation, participation in officially recognized activities, degrees and awards granted. Photos may be used for promotional or reporting purposes. If you DO NOT want this information released, see the Registration Office for the Opt Out Form. By signing above, I authorize Ilisagyik College to use my name and image in marketing material.
