SUMMER CAMP 2017

It's almost that time of year again, so jump in while you can!

**ALL CAMPS TAKE PLACE IN BARROW UNLESS NOTED OTHERWISE*

SUMMER CAMP DESCRIPTIONS

: Middle School camp : High School camp : Adult

Allied Health camp

 5/28 - 6/4 |  6/4 - 6/18

For youth interested in health-related careers including Behavioral Health, Public Health, and Nursing; get hands-on training to earn First Responder, First-Aid, and CPR certificates. Students will also take part in team, individual and strength challenges to promote a healthy lifestyle!

Iñupiaq Art & Culture camp

 6/18 - 6/25

Summer camp will introduce students to traditional values, art, culture, the land, hunting practices, traditional foods, education, history, leadership, governance, and more through the eyes of the Iñupiat people. Students will be able to identify their own personal roots, history, traditions, and culture.

North Slope Iñupiaq Immersion Camp

 7/15 - 7/22 (18 years and older)

North Slope Iñupiaq Immersion Camp - Campers will be camping down the coast from Utqiagvik-Barrow at Ualiqpa a traditional camping site. You will be immersed completely in the Iñupiaq language.

Iñupiaq Land Values & Resources camp -

open to Iñupiaq Students & NSBSD Teachers:
7/9 - 7/18 (11th + 12th grades) PT. Hope

Examine the complex relationships there are between humans and the environment we live in, specifically the land, ocean, and natural resources of the Arctic. Also, gain insight on subsistence hunting, wildlife patterns, historical features and more!

ASRC Hospitality & Culinary Industry

camp (DAY CAMP - - ALL AGES)

6/25 - 7/2 (9am - 5pm)

This camp will give you an appreciation for each sector of the Hospitality & Culinary disciplines, and will show students how they all must depend on each other in order to operate a successful business.

Behavioral Health Camp

 6/4 - 6/10 (Bering Strait Region) Nome

Study key topics such as abuse, neglect, addiction, grief, stress and mental health. Job exploration includes social work, counseling, psychology, behavioral health aide, and more.

Circus camps (DAY CAMP) ALL AGES!

Iñupiaq College Cooperative Extension will bring clowns, the face-painting, the trapeze, the laughs, and more!

Methods in Molecular Biology camp

 6/15 - 6/19

This is an exciting laboratory-intensive course, which focuses on the principles and techniques of molecular biology. This course will provide an introduction to standard molecular biology techniques including: isolation and purification of nucleic acids, amplification of DNA, and sequencing DNA. Additionally, the laboratory portion of the course incorporates students being directly involved in an ongoing research project working with Arctic Microbes.

Future Teachers of the Arctic camp

 5/28 - 6/04

Explore the educational field and build a foundation in Iñupiaq Studies, while learning first-hand what it is like to be a teacher on the North Slope!
